## Bonus Antlerless Deer Harvest Authorizations

Allows the holder of a valid license that authorizes deer hunting (gun, archer or crossbow) the harvest of an additional antlerless deer in a specified deer management unit and land type. Not all deer management units will have permits available.

These are sold on a first come, first serve basis and individuals may purchase one bonus permit per day until each unit is sold out (and must possess a valid deer hunting license in order to purchase an antlerless bonus permit). If you are seeing a reserved message, this means another customer has selected the last tag and they have not yet checked out.
